Dear Neighbor,

Breast Cancer Awareness Month is right around the corner! Will you support access to essential breast cancer screening and help raise awareness in our community?

Here in Alaska, breast cancer impacts all of us – our families, our friends, our coworkers, and ourselves. One in eight female-bodied people are diagnosed with breast cancer in their lifetime. **We know early detection saves lives.** For KBFPC clients, that includes annual exams, breast cancer screenings and mammogram referrals, genetic testing, and diagnostic services – all at no cost for clients who qualify. As a trusted community healthcare partner, and with your help, KBFPC provides evidence-based, empowering reproductive health care regardless of a person’s ability to pay.

Your tax-deductible donation of \$150 or more supports access to this critical care now and into the future. With your donation, we provide a pink flag to fly outside your business or home for the month of October.

- All contributors who donate by 9/30 are featured in our newsletter (*with opt-in below*)
- Those who **donate \$300 or more by 9/30** are highlighted in our month-long social media campaign and in our October Homer News ad (*with opt-in below*)
- KBFPC volunteers will hang the flag at your business, or deliver it for you to display
- Volunteers pick up flags in November at your convenience

Be part of the October Pink Flag tradition and show how much our community cares!

Sincerely,

Kachemak Bay Family Planning Clinic’s Board of Directors

Yes, I will support access to breast cancer screening by displaying ____ flags! (\$150 each)

Your Name: _____ **Business:** _____

I’m donating via: **Cash/Check** (*please deliver/mail to 3959 Ben Walters Ln, Homer, AK 99603*)
